

HUMAN RESOURCE CONSULTANCY

Your business requires
the **RIGHT**
talent and not
necessarily the
TOP talent.

Maximize your
strategic HR
investment with
RELIABLE and
TRUSTED
**Human Resource
Provider**

We don't claim that we search the TOP talent, but we guarantee that we search the RIGHT candidate for your business.

Searching, identifying and attracting RIGHT talent requires a PARTNER with the capability and vision to match the expertise available in the marketplace with the needs of your business.

It takes a PARTNER dedication, understanding and expertise to bring talent and opportunity together while maximizing the impact of your recruitment investment.

ParagonEDS is that partner

We specialized in Information Technology and Communication, FMCG, Oil & Gas, Health Care & Financial sectors - the reason is very simple. We have sufficient experience and resources in these sectors and, therefore, we are better placed to search a better candidate. Our network and relations in the industry enables us to search similar environment which matches with our customer's needs.

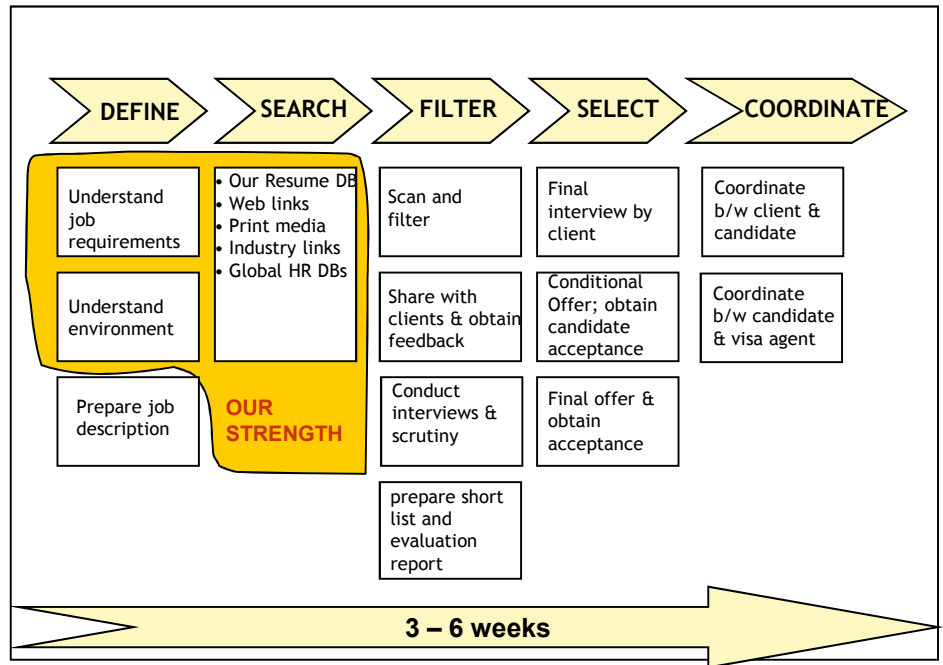

*In this uneven and
challenging business
world you need a
reliable partner who
can support you for
the **long term***

ParagonEDS

... for the long term

Our Methodology

We look for the environment similar to yours so that you can get a RIGHT candidate who will be productive from the next day. We search through number of ways and one of them is that we maintain state-of-the-art and strategically build database of companies. In other practices we attract candidates through newspaper ads, internet job groups and most importantly personal references.
